

# BAGA™

(BUY ANYTHING, GET ANYWHERE)

## INTELLIGENT OMNI-CHANNEL ORDER BROKERING

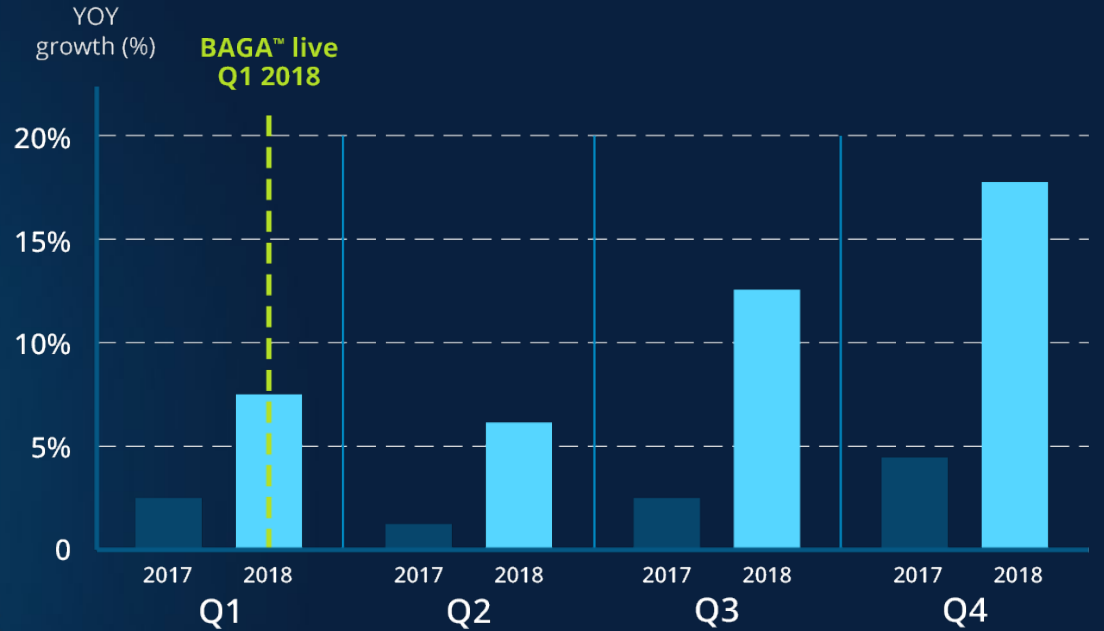

### AUTOMATED ORDER FULFILLMENT

BAGA™ enables retailers to streamline and automate their order fulfillment processes from any location across their distribution network even offering a direct-to-home delivery option.

### HYPERSMART PICKING

BAGA™ searches for the optimal stock location to pick from by factoring for expected sales, sure revenues, shipping costs and recall costs. Thus ensuring each sale margin is maximized.

# 15+%

 REVENUES WITHIN ONE YEAR

### HOW CAN IT HELP

- Real-time global inventory synchronization.
- Net profit maximization for every sale.
- Higher customer satisfaction and loyalty.
